ANNEX B

JSF COOPERATIVE PROJECT PERSONNEL

1.0. Purpose and Scope.

1.1. This Annex establishes the provisions which will govern the conduct of JSF Cooperative Project Personnel. The AS DOD will assign military members or civilian employees to the JSF Program Office or U.S. DoD field activities in accordance with Section III (Management (Organization and Responsibility)), Annex A (Supplement Management Structure) and this Annex. JSF Cooperative Project Personnel must be able to perform all the responsibilities for the positions assigned to them under this Supplement. Commencement of assignments will be subject to any requirements that may be imposed by the U.S. DoD or the U.S. Government regarding acceptance of JSF Cooperative Project Personnel, such as, but not limited to, visas and visit request documentation. The U.S. DoD and AS DOD EC representatives will determine the length of tour for the positions at the time of initial assignment.

1.2. JSF Cooperative Project Personnel will be assigned to the JSF Program Office or U.S. DoD field activities for Project work and will report to their designated supervisor within those organizations regarding that work. JSF Cooperative Project Personnel will not act as liaison officers for the AS DOD. However, such personnel may act from time to time on behalf of the AS DOD's EC representative if the latter so authorizes in writing.

1.3. JSF Cooperative Project Personnel will not be assigned to command or other positions that would require them to exercise responsibilities that are reserved by law or regulation to an officer or employee of the U.S. Government.

2.0. Security.

2.1. The U.S. DoD and AS DOD EC representatives will establish the maximum level of security clearance required to permit JSF Cooperative Project Personnel to have access to Classified Information and Material and facilities in which Classified Information and Material are used in accordance with the Program Security Instruction (PSI) and Classification Guide (CG). Access to Classified Information and Material and facilities in which Classified Information and Material are used will be consistent with, and limited by, Section II (Objectives) and Section III (Scope of Work) of the JSF SDD Framework MOU and the corresponding provisions of this Supplement, and will be kept to the minimum required to accomplish the work assignments.

2.2. The AS DOD will cause security assurances to be filed, through the Australian Embassy, specifying the security clearances for the JSF Cooperative Project Personnel being assigned. The security assurances will be prepared and forwarded through prescribed channels in compliance with established U.S. procedures.

2.3. The Participants will use their best efforts to ensure that both AS DOD and U.S. DoD personnel assigned to the JSF Program Office or U.S. DoD field activities are aware of, and comply with, applicable laws and regulations pertaining to Controlled Unclassified Information and Classified Information and Material as well as the requirements of Section IX (Controlled Unclassified Information), Section X (Visits to Establishments), Section XI (Security), and paragraph 18.7 of Section XVIII (Amendment, Withdrawal, Termination, Entry into Effect, and Duration) of the JSF SDD Framework MOU and the corresponding provisions of this Supplement, and the PSI and CG. Prior to commencing assigned duties, JSF Cooperative Project Personnel will, as required by U.S. Government laws, regulations, or procedures, sign a certification concerning the conditions and responsibilities of CPP.

2.4. JSF Cooperative Project Personnel will at all times be required to comply with the security and export control laws, regulations and procedures of the U.S. Government. Any violation of security procedures by JSF Cooperative Project Personnel during their assignment will be reported to the AS DOD for appropriate action. JSF Cooperative Project Personnel committing willful violations of security and export control laws, regulations, or procedures during their assignments will be withdrawn from the Project with a view toward appropriate administrative or disciplinary action by the AS DOD.

2.5. All Classified Information and Material made available to JSF Cooperative Project Personnel will be considered as Classified Information and Material furnished to the AS DOD and will be subject to all of the provisions and safeguards provided for in Section XI (Security) of the JSF SDD Framework MOU, Section VII (Security) of this Supplement, and the PSI and the CG.

2.6. JSF Cooperative Project Personnel will not have personal custody of Classified Information and Material or Controlled Unclassified Information, unless approved by the JSF Program Office and as authorized by the AS DOD on a case-by-case basis. They will be granted access to such Information and material in accordance with Section IX (Controlled Unclassified Information) and Section XI (Security) of the JSF SDD Framework

MOU and the provisions of the PSI during normal duty hours and when access is necessary to perform Project work.

2.7. JSF Cooperative Project Personnel will not serve as a conduit between the U.S. DoD and AS DOD for requests for and/or transmission of Classified Information and Material or Controlled Unclassified Information unless specifically authorized by the PSI.

3.0. Administrative Matters.

3.1. Consistent with U.S. laws and regulations, JSF Cooperative Project Personnel will be subject to the same restrictions, conditions, and privileges as U.S. DoD personnel of comparable rank and in comparable assignments. Further, to the extent authorized by U.S. laws and regulations, JSF Cooperative Project Personnel and their authorized dependents will be accorded:

3.1.1. Exemption from any U.S. Government tax upon income received from the AS DOD.

3.1.2. Exemption from any U.S. Government customs and import duties or similar charges levied on items entering the country for their official or personal use, including their baggage, household effects, and private motor vehicles.

3.2. Upon or shortly after arrival, JSF Cooperative Project Personnel will be informed by the JSF Program Office or U.S. DoD field activities about applicable laws, orders, regulations, and customs and the need to comply with them. JSF Cooperative Project Personnel will also be provided briefings arranged by the JSF Program Office or U.S. DoD field activities regarding applicable entitlements, privileges, and obligations such as:

3.2.1. Any medical and dental care that may be provided to JSF Cooperative Project Personnel and their dependents at U.S. DoD medical facilities, subject to applicable laws and regulations, including reimbursement requirements.

3.2.2. Purchasing and patronage privileges at military commissaries, exchanges, theaters and clubs for JSF Cooperative Project Personnel and their dependents, subject to applicable laws and regulations.

3.2.3. Responsibility of JSF Cooperative Project Personnel and those dependents accompanying them to obtain motor vehicle liability insurance coverage in accordance with laws and regulations applicable in the area where they are residing. In case of claims involving the use of private motor vehicles by JSF

Cooperative Project Personnel and their dependents, the recourse will be against such insurance.

3.3. The JSF PD, through the JSF Program Office and U.S. DoD field activities, will establish standard operating procedures for JSF Cooperative Project Personnel in the following areas:

3.3.1. Working hours, including holiday schedules.

3.3.2. Leave authorization, consistent to the extent possible with the military or civilian personnel regulations and practices of both Participants.

3.3.3. Dress regulations, consistent to the extent possible with the military or civilian personnel regulations and practices of both Participants.

3.3.4. Performance evaluations, recognizing that such evaluations must be rendered in accordance with the AS DOD's military or civilian personnel regulations and practices.

3.4. JSF Cooperative Project Personnel committing an offense under the laws of the government of either Participant may be withdrawn from this Project with a view toward further administrative or disciplinary action by the AS DOD. Disciplinary action, however, will not be taken by the U.S. DoD against JSF Cooperative Project Personnel, nor will JSF Cooperative Project Personnel exercise disciplinary authority over U.S. DoD personnel. In accordance with U.S. laws, regulations, and procedures, the U.S. DoD will assist the AS DOD in carrying out investigations of offenses involving JSF Cooperative Project Personnel.
